

Pixel Mosaic

Pixel Mosaic is a fun colourful hobbycraft for all the family. Easy assembly, no gluing, cutting or counting required and simple instructions to follow. Suitable for anyone over 6 years old.

You can either try one of our many Pixel Mosaic kits ranging from 1 baseplate to 40 baseplate designs, each kit contains all the materials you require to create your chosen image (tweezers sold separately) or download the Pixelhobby software from www.thecraftdookit.co.uk and create your own design chart, for example turn one of your family photographs into a Pixel Mosaic.

You can purchase all the pixel coloured squares and baseplates you require to complete your own design on our online shop at www.thecraftdookit.co.uk.

Also available from The Craft Dookit is pre-cut self adhesive foam backing board suitable for backing your Pixel Mosaic Kits, hangers and a selection of Pixel Mosaic Frames.

Events for 2010

Hobbycraft Show, Glasgow SECC - Stand
No F23

4th—7th March 2010

Hobbycraft Show, Birmingham NEC -
Stand No E41

25th—28th March 2010

Following the Hobbycraft Show at Birmingham in March we will be taking a break from attending the shows for personal reasons. We will not be attending the Shows in Autumn 2010 or Spring 2011 and will keep you updated by catalogue/newsletter as to when we will be returning to the shows.

We will continue to add new products and designs to our catalogue in Spring and Autumn, which will be mailed to all our mail order registered customers.

We hope that you will continue to purchase our products either online at www.thecraftdookit.co.uk /by telephone on 07905 947113 or mail order by using the mail order form at the back of this catalogue.

Thank you for your understanding and look forward to seeing you in the future.
